Friendly genuine 30's PSE Essex Girl. Long brunette hair quite slim and very busty. Photos accurate

### The Story:

Met with a cheery smile and offer of a drink. Quick shower then onto some deep FK before Megan dropped to her knees and the action started. Lovely deep-throat with her hands on my butt pulling me in slow then fast and deep and then put my hand on her ponytail and we really went for it. Around the world trying all her services except anal which is on a "how big are you basis" I think. Water Sports in the shower followed by some more shagging & gagging before sliding a very large load down her lovely throat. Great chats with Megan who is never lost for words and makes one feel very comfortable. Sometimes she's even too chatty but we all know a good way to stop that and had a good laugh as I shoved my "pacifier" (US for Dummy) down her throat and she swallowed load two. I was done for when we said our good byes but she was still ready for action. Great gal and I'll be back maybe even before christmas. Gets busy but usually responds quickly to text or via her site on AW. Price included my tip.
