The Premises:

Fantastic apartment in a great location. Suggest take the lift as it's 4th Floor. Great mirrors and a lovely warm under floor heated carpet. The bed is outstanding, the perfect height and facing a huge wardrobe with mirrors.

The Lady:

Ok, so Brandy has a few selfie pics and her working pics. Both don't show off her beauty, stunning body, amazing tits and arse and also don't depict her playful and fun side. Her voice is captivating and just wait until she cavorts about you and invites your hands and tongue to enjoy her. Her arse is ridiculous tight and her skin and pussy smell and taste amazing.

The Story:

Damn and damn! Brandy is so hot - scorching! 2nd visit even better. She is TOP of the girls and some. Brandy delivers an amazing service and having seen many girls I am struggling to compare. A lovely drink and playful chat to start slowly stripping each other of clothes. Brandy's body defies belief and her attitude and playfulness doesn't compare. She is happy to let you dine on her body and when she gets really hot and wet will direct you so you each both enjoy all her pleasures. Her bed is the perfect height for some serious action with a full eye load and getting into things Brandy will suggest what feels good and natural to move between positions. She's lively and enjoys her time but cute and sexy too. So refreshing to have such an intense experience and everything to feel so good. You will float out the door wanting to return, no, dying to return and to taste her wetness and feel her beneath you, on top of you and to look into those eyes as you reach mutual pleasure. Damn damn, this chick is too hot so be warned!
