The Story:

I arrive a little early and was let in by another girl, as she showed me upstairs to wait for Vicky I could hear load moaning from Vicky being fucked by another client. I waited up stairs and could still hear her load noises , this was an instant turn on and I couldn't wait to see her

After a while Vicky entered the room wearing heels and sheer body stocking , her nipples poking through and shaven pussy on display .

I paid her and she disappeared for a bit, when she came back in I was sat in the chair undressed waiting for her. I told her what a turn on it was hearing her being fucked by another man, she told me she had been fucked hard and wanted me to do the same .

She was on her knees sucking my tool in front of the mirror , great eye contact I had to hold myself back.

After that she laid me on the bed and straddled me so I could taste that pussy, as I was licking her out and stroking her open she talked dirty telling me about all the cock she had taken that day , whilst wanking my shaft . During this I managed to get a bit of my finger up her amazing bum hole.

She then covered my cock with a rubber and laid on the bed leg wide apart , she then encouraged me to " fuck her and make her scream like the other boys". I entered her open shaved pussy and pounded her as hard as I could , her eyes staring right at me she told me to keep going and fuck her harder. I wasn't long before I could feel myself about to explode, I quickly pulled out of her and unloaded my mess all over her tits.

Vicky is a pure filth and a must see girl, as I got changed I couldn't keep my eyes her stunning body.
