The Premises:

Very nice flat in Bayswater, just few minutes walk from tube station and easy to find. Sharing with another girl that I also met on arrival.

The Lady:

Jade looks just like on her photos. She is a slim girl with only small boobs, but her body is nice and firm and her attitude is just great. She gives impression that she really enjoys what she does. She is a beautiful looking girl, but you can see straight away that she has dirty mind and is not afraid to use it.

The Story:

Experience with Jade was just superb. She took charge straight from the start. Initiated with OWO that was just amazing, she took it really deep and looking at me while doing it. No shortage of balls liking either. She was keeping me on the edge for a while and then finally made me finish with CIM. Short break and we were back to it. Her pussy tasted great too and soon I was deep into her, in mish, cowgirl, reversed cowgirl, from behind. She does kissing with the tongue and that was wicked. She is wild and oh boy, she can talk dirty. Finished with A and loved it. I am returning for sure.
