The Story:

Absolutely awful experience and would not recommend. I don't usually not recommend these girls but this one was crap. First off she showed up at mine 2 hours late looking dishevelled and untidy. I think she'd be drinking, yeah it's the festive season but that's no excuse to act sloppy! THEN she had the audacity to tell me my flat smelt funny? It was cleaned before she came over so I don't know what that was about. The whole time we were at it she seemed bored and disinterested, like she couldn't wait to go home. This isn't what I punt for. Oh and also she just wasn't that attractive because shes quite thin and her skin is spotty. Might sound harsh but honesty is the best policy!
