### The Premises:

Arya place is a very humble home but it has got all of the luxuries needed for a nice time, it has got a very nice and big bed with a spacious bathroom the place very very clean and tidy as well and had clean sheets and towels.

### The Lady:

Arya is a very nice young lady she has a bit of Asiatic looks to her and has got very nice curves and body however the tits size doesn't match the description on the site but she does have nice small but sturdy tits she is a short about 1:65 but the curves match her sizes which fits really well.

### The Story:

Arya met me at baker street station at about 19:30 we then walked to her place which was about a 5 minute walk from the underground on the way to her place she was very talkative and really tried to get to know me which left me very comfortable around her, she also had a very nice black dress on with some red shoes that made her look gorgeous, so when we got to her place she offered some wine which i kindly accepted and so we drank a glass and started to cuddle, things got hot between us and the clothes started to come off and by that point i was completely turned on she had this very nice pair of red underwear underneath that looked very sexy, so she started to rub me and her eyes were begging me to suck me off so i whipped the Johnson out and she started to blow it so good she started it slow and wanking it at the same time and then she sucked that thing like there was no tomorrow her skills really amazed me she was very naughty and spontaneous overall it was the oral that i most liked however she was amazing at riding as well, probably of the best experiences I've had so far with any Asian mixture girl.
