The Premises:

London Retreat has been well described on these pages before. I have not been there for a while, but all looking 'spick and span'. I used to review under another 'oliver' handle.

The Lady:

I saw Kelly, who looks as scrumptious as the photos suggest.

The Story:

Tie and tease, flogging, blindfolds, nipple clamps - if this is a menu that appeals to you hasten down to Earls Court. All delivered with aplomb by the luscious Kelly.
