The Story:

What a fantastic experience with a beautiful young lady. Amelita drew me in whilst browsing, I think it was the lipstick she was wearing in her profile photos as I have a thing for ladies in red lipstick. We texted beforehand and I requested that she wear the same lipstick at our appointment and sure enough, she showed up with it on and a matching red dress so tight I could see just what was in store for me. She undressed slowly, doing a little erotic dance for me while I sipped my wine and then gave me sensual massage which was really relaxing. Things moved quickly and she super keen which is always a pleasure. The absolute thrill I had watching her give me a slow, wet OWO whilst leaving lipstick marks on my dick, wow! I shall not forget that for a long time. In fact I didn't have to because they were still there long after she left.
