The Premises:

Clean and tidy if a little frayed around the edges. But hey, if it's interior design that you're into then there's a massive new Ikea down the road.

The Lady:

Just beautiful. Long dark hair, captivating green eyes, perky boobs and pert bum.

The Story:

It usually really annoys me when people write FRs but choose not to put any detail in them because they feel their encounter was somehow so special that to make public the details would somehow diminish what took place. Well guess what? That's exactly how I feel about my time with Charlotte. It was easily the best punt I've ever had and it was all down to this gorgeous, classy lady. It was honestly as close to a true girlfriend experience as it is possible to get, so much care and tenderness does Charlotte put into what she does. I loved every second and will definitely be returning to see her. Thank you, Charlotte. x
