The Lady:

The slightly blurred photos on her profile provide an excellent impression of what to expect, - very attractive, 20 something in age which isn't too far off the mark, slim, average height, small-medium breasts, fully shaved. Reportedly EE but in appearance can easily hail from anywhere in Europe or around the Mediterranean basin.

The Story:

Nicola went straight onto my must see list after I read her P'net reviews all of which, at the time of writing, are Milton Keynes based. I'm pleased that she's joined HoD as it saves me from having to make the tedious trek to see her.

As things turned out, she was everything I expected her to be.

Proceedings started formally when she entered the room within a couple of minutes of my arrival introduced herself and offered to shake my hand. I have to admit to briefly wondering whether she'll do gfe but I got the answer I wanted within a few seconds. And what a gfe it was with owo, frottage, fj, ro, sex firstly in cowgirl and then finishing with missionary with plenty of fk/dfk throughout. Like the best ladies who offer gfe, she initiated fk as frequently as I did.

When afterwards I told her how much I enjoyed my time with her, she responded by saying "why don't you come back and see me again." You know what? I can see myself doing that sometime soon.
