The Story:

Mandy was advent girl so rate reduced (£60 down to £40 for 30 mins).. This was a bad punt from the very second I entered. I am a well dressed business man with impeccable manners looking for the service as offered by the website. No welcome drink offered or shower use, waited in room for 10 mins !! . Little apology other than very busy. I had a kiss, quick fumble , cock out , basic lifeless blowjob, miss position bang , all over in 5 mins, quick back massage and out of room by 4.30 . I accept that as the advent girl the lady in question would be busy, but I am the customer and no customers means no business. I will be contacting the establishment once this report has been published and expect a full refund. I have visited her, ego on many occasions and never had the need to complain, so write this with a little anger . I hope the establishment will understand my concerns as I feel I speak for many men who just want an attentive lady.
