The Lady:

Slim toned, nice fake boobs. Not an ounce of fat. I've seen her on many occasions at ego so I'm a big fan.

The Story:

I've seen Valentina many times at ego and always had an amazing time within The limits at ego. Finally I managed to see her for a naughtier session. She came in and we started snogging, boy did my dick get big fast. She's a great kisser. She took off my towel and we had a great massage for a few mins before I couldn't wait any longer. I lay her on her back and entered this babe. It was amazing. We kissed, sucked and fucked for 20 mins until in blew in her mouth. Quickly on to round 2, lots more fucking in every position, you have to do her in doggy with her heels on, what a view. I pumped her for ages and came again with minutes to spare. She is amazing and a great fuck. I will return.
