The Lady:

Nice looking Hong Kong Chinese girl about 21/22 years around size 8. Wide hips but not fat making a very shapely arse.

Medium tits that held their own without too much sagging. Visible labia front on.

The Story:

This is a regular place for me and I decided on a punt while I was finishing my Xmas shopping. Felt a bit vulnerable leaving quite a lot of stuff in the car so wanted to be fairly quick.

Phoned and was asked to wait five minutes before knocking. Did as I was asked and was let in, as I entered the hallway the girl came out of the bathroom obviously having just showered. I suggested she stayed wrapped in a towel rather than dress for me.

This was a good choice, I followed her into the room and asked her if I could dry her. She obliged and I gently dried her off with the towel paying particular attention to her buttocks and thighs.

That all done I laid her on the bed face down and started to lick her sweet pussy and arse spreading her buttocks nice and wide to reveal all the nice pink bits.

Thinking it was time for action I sat on the bed next to her and she watched me put the condom on.

I loved this, showing by my actions what I was about to do to her. Keeping her where she was I laid on her and slipped into her nice tight warm and wet pussy.

Gently nibbling her neck and pulling on her long black hair I built up some speed til I was really pounding her little cunt and giving the bed a good shaking.

Didn't try and stop myself cumming but still lasted quite a while before I shot my load into her. She didn't know I'd cum and I pulled out and rolled her over slipping my still hard cock back into her, thrusting in and out a few times before pulling my softened cock out of her.

I pulled the condom off and laid it across her belly before cleaning myself up with the wipes on the bedside table.

What I call a proper punt. I might treat myself and have another go on her tomorrow!
