The Lady:

Fist asian escort ive seen. Wasnt what i am used to and wasnt entirely sure what to expect but she was lovely and hot too!

The Story:

She was very welcoming and smiley. Chatted for a while and then the action started.

She undressed me on her couch and then proceeded to undress seductively in front of me which was hot. Then she led me to the bed, which was huge. She gave an amazing BJ and her kissing skills were off the chart. For such a petite body she could sure use it. we fucked three ways and then i finished up cumming on her breasts.

Lovely girl great ass and great in the bedroom.
