The Story:

Well in her case my recommendation would be OH MY GOD YES !!!

She's just a pure gem... a sexual experience unforgettable, truly unique ! She does surpass the ones I got so far with all the girls at Hamilton even Taylor who is already a riot... I told her she was a walking heart attack I do believe a man could have one in her arms... I can't think of a better end than this one for anyone ! She exhausted me completely and it is a first time for me, absolutely stunning ! One last thing I loved her accent...
