So so so fit! perky tits and arse, looks like a model

The Story:

Sharon is one of the fittest girls I've seen from punting. When we were talking in between rounds, she told me she used to be a model which didn't surprise me so that's how fit im talking here! Sharon's tits are incredible, shes got these amazing perky pair with nice pink nipples which she enjoys being licked and sucked ;) there's a head up for you there fellas. Anyway, moving onto the good stuff, she arrived at mine looking hot as hell, I wanted to fuck her right in the doorway but she insisted I took a shower. To my surprise, about a couple minutes in, Sharon joins me in there and we enjoy getting wet together. She got wet in more ways than one lets just put it that way! She DFK and let me lather her up while touching her naked body all over. Then, she slowly moved downwards and gave me an amazing blow job, letting my finish on those fantastic tits. We cleaned ourselves up and dried off then went and chilled out together for a bit in my lounge. Round two came and Sharon very happily obliged with everything I put to her, getting her in all sorts of positions. My favourite was when I banged her up against the wall. She was passionately running her hands through my hair and kissing me while I grabbed her ass checks. It was a proper good session and I'd fully recommend Sharon to everyone.
