### The Premises:

Large basement flat in a fairly quiet street 5 minutes walk from Queensway tube. I was pleased to see Jessie is still in the spacious room at the end of the long hallway. She's changed things around since my only previous visit some 6 months earlier with lots of personal touches. The coffee table is full of treats and snacks! Good sized very clean bathroom with an over the bath shower.

### The Lady:

Jessie is a young Thai lady, very petite with smallish natural boobs. She may be the prettiest Thai I've been with, she's certainly the friendliest and most engaging. She has a couple of small tattoos on her back.

### The Story:

So this was the second time I'd seen Jessie and I can't for the life of me think why I left it so long to see her again. She's a delight to be with from start to finish. She was dressed in a tight mini dress with nothing on underneath, talk about a Christmas Eve treat! We started off on the sofa with some wine, chatting with her full of giggles and smiles. Her English has improved but when she talks quickly its still quite hard to grasp what she's saying. Onto some nice DFK then I had her leant back on my lap so I could start feasting on her pussy. Time for a shared shower me thinks then onto the bed. I suggested getting under the duvet which she was happy to do so. Jessie is very eager to please and once warmed up is a great GFE with lots of DFK, RO, good OWO and fingering. I easily managed 3 pops with her before it was time for another shared shower. At one point during rounds she was even feeding me Haribo sweets. Needless to say I can't recommend her highly enough and I will be seeing her again very soon.
