The Premises:

Clean, light, modern flat not far from The Shard; street layout means it's a little tricky to find so leave ample time.

The Lady:

Looks a lot younger than her pics. Attractive with a winsome 'innocent' charm about her.

The Story:

I've been keen to see Abigail for ages. She's a super intelligent lass and on after initial greetings we had a nice chat as she told me about her studies and what she was working on. All very prim, proper and civilised; with her 'girl next door' appeal it was almost like an afternoon at the book club.

Almost, but not quite.....whilst I washed she engaged 'raunchy' mode and changed into some racy lingerie. She has fabulous body, slim but curvy in all the right places with a fantastic enhanced bust.

Out of the bathroom and into the bedroom. Some DFK, a striptease, some DATY, then some light spanking and the mood was set..

By now i was really turned on which meant a good long slow sex session in various positons. Absolutely fabuluous. She doesnt have many mirrors but a small well placed one in front of the bed sufficed to indulge my penchant for watching on as i gave her a good pumping in doggy with her knelt right in front of it. Phew!

All in all a wonderful girl. Super intellegent with an air of innocence - but a total vamp in the bedroom
