The Lady:

Elizabeth has Dark-blond almost ginger hair, quite a lot of make-up, which she applies well, is fairly petite but does also have a nice cute pair of boobs. She is good-looking but not stunning. Her photos on the website show her as being slightly paler and with lighter blonde hair. This may be due to her getting a tan somewhere and dying her hair a slightly different colour

The Story:

Elizabeth is very friendly Essex girl with a bubbly personality. She kissed me without me asking which I liked. She was quite noisy and enthusiastic in that way during sex which I enjoyed. We tried a number of positions at my request but no special services were requested. When I indicated that I enjoyed her kissing, she kissed me quite a lot and deeply, which was very enjoyable. She stayed for a chat afterwards and overall I would say that this was the best of the 15 or so punts I've had.
