The Lady:

Erin has a stern face, nice long black hair tied up in a bun, is fairly slim, white with tanned skin.

Overall I'd say there are much better looking girls out there facially.

Age 30 (says 27 on the website, swear she told me 30 when we met)

Height 5' 5" (165.1cm)

Dress Size 8

Bust 32D

Nationality: Romanian

The Story:

Negatives: Erin's English is OK but not great. She has a death-grip on the hand job. She wouldn't take her top off because she said she is lactating (ew). She wouldn't even strip down to the bra in fact, so no look at her tits at all. She asked me for cigarettes and cocaine which I don't do. I don't mind her asking, but this might put others off.

Positives: Sex was OK, tried a couple of positions, she smells nice and I liked her hair's smell, look and texture even though she kept it in the bun. I came quite nicely, so nothing wrong with her pussy.

Overall though I'd say there are better girls out there and that you shouldn't be in the game if you can't take your top off. I've tried two girls from this agency (Foxy Kittens) and the other one was quite nice (Nikki) so I'm willing to try them again sometime, but not this girl
