The Lady:

Chantel's hair was a lighter blonde than the photos on the website, but she is very, very good looking. She is petite, sexy, has nice perky tits.

Her tits are medium sized, perky and perfectly shaped. They may or may not be fake, I couldn't tell.

Age 24

Height 5'5"

Hair Blonde

Breast 36c

Ethnicity Eastern European

The Story:

Chantel's English is not great, but she makes an effort to bond, chat and be nice, which was very pleasant.

She said she was Spanish, which I didn't believe for a second. It now says "Eastern European" on the website which I'm sure is more accurate. Why she'd lie about this I've no idea, maybe she thinks guys prefer Spanish chicks. I personally don't mind what background a girl is from as long as she's good!

Upon getting undressed, I asked Chantel to get ready for sex on the edge of the bed (me standing, her on the bed). Chantel then cutely got completely naked and put her legs together, pulling her knees all the way up to her chin. In some ways this was very sexy as it was submissive and very flexible, in other ways I'd rather a girl spread her legs so I can get in between them. Still, not many girls can be that flexible and have you fuck them without them spreading their legs, so that's something. She seemed to quite like that pose, though I did eventually get her legs either side of me the way I wanted.

She is reasonably tight, though not super tight. I'd definitely recommend her. She is beautiful and sexy, flexible and nice, a perfect pint-sized fuckpuppet. I gave her a tip as she was very good, and came all the way from London to the very north of Hertfordshire, a 75 minute drive.
