### The Premises:

A private house between Blendon & Bexley near the Halford's shop. It was clean inside.

### The Lady:

A dark haired, busty girl. She was friendly, but a bit business like.

### The Story:

It was a standard punt. I was a bit apprehensive that Julya wasn't going to remove her top and I was relieved she did because she had full and firm natural breasts. She let me have full access to them and it was a pleasure sucking and squeezing them. She slowly masturbated me to an erection, put a condom on and we had sex in doggy position. I took my time and stopped briefly to give her breasts a final squeeze before coming.
