The Story:

I'm sorry if i've got the wrong date and time but it was whatever day Sophia was the advent girl and to be quite honest, I've lost all track of time recently. Anyway, Sophia has a womanly body, not skinny schoolgirl. She looked good, she tasted good and by god she did me good. We had a little light kissing but I've really got a taste for pussy just lately and really couldn't wait to have Sophia's legs spread above my head. We got into 69 and Sophia did some outstanding work with her mouth as I lay on my back with her pussy in my face. I loved her labia and couldn't help but keep sucking them into my mouth. I loved every minute of the time I had with Sofia. She was lovely to talk to which I did quite a bit of on arrival and her American twang is quite something considering she's never been there. Anyway the way she treated me deserved a report. She really was just so nice and obliging. Next time I hope she wears stockings as they are a big turn on for me. I highly recommend Sophia for her delivery and her attitude. She's the type of girl that if I were her age, I'd love to take on a date. Intelligent conversation and fantastic sex. Don't know about cooking and cleaning but hey who gives a fuck when there are take aways and laundrettes. Highly recommended and thank you Annabella for all the Advent girls I managed to see before Christmas. 2017 wasn't a bad year after all!
