The Premises:

Well-known basement flat close to Victoria station, small room with bed, chair & mirror, clean & comfortable & warm on a cold day.

The Lady:

Photos are accurate, maybe fractionally less pretty & gym-fit than pictured but definitely super-cute. Beautiful very pale complexion, lovely smile, perfect firm natural breasts, dark hair highlighted blonde, nicely done. Seemed younger than the advertised 25 years of age - I would have guessed about 20.

The Story:

Louise was very friendly throughout and wasn't a clock-watcher - we ran a bit over time, I think - but service was definitely no-frills. Kissing was advertised but only the lightest of pecks on the lips was allowed. Oral was covered, RO was allowed, but no fingers anywhere near her pussy. I wasn't allowed to touch my dick once the rubber was on. Recommended if looks and personality are more important to you than service.
