### The Story:

Emma is a very attractive young lady. She makes you feel relaxed immediately. On both occasions when I have been there Emma has had a friend in the apartment (female). The atmosphere is so relaxed that you could be chilling with your mates after a few shots. Having said that I feel more comfortable being naked in front of Emma and her companions than any of my friends.

Emma is very good at her job and I will definitely go back again . Each time I see her the more comfortable I am asking to broaden our experiences.
