The Premises:

Shanti works from what appears to be her home - a stylish flat on Goswell Road with an intercom at street level. The apartment is quiet and well decorated and the shower room is clear and pleasant.

The Lady:

Shanti is a very attractive woman in her forties and the pictures on AW are of her. She has a gym honed physique and great skin and muscle tone. She has breast implants, which I am not a big fan of.

The Story:

I enjoyed this visit but am not sure that I will visit again, mainly because I am not a fan of plastic boobs, but we had an enjoyable and quite steamy session. Shanti is a sophisticated and well travelled woman, part Latin American and part Lebanese. She is sexy, intelligent, and makes a pleasing effort.
