The Premises:

Virginia's apartment was very clean, tidy and warmly inviting. The place smelt nice and I felt very comfortable. I went to use the bathroom before sitting down with Virginia and it was very clean and well maintained - clean toilet and shower etc. The property was easy to locate and there was convenient parking outside.

The Lady:

Virginia is absolutely stunning, she is a perfect height and has long blonde smooth hair. She looked even better than her photograph on the site.

The Story:

Had such a fun time with Virginia, she is beautiful inside and out and has a beautiful body.
