The Premises:

Discrete flat on Queensway, small but well appointed bedsit, warm and welcoming, giant firm bed, large flat screen tv, good sound system, sensual lighting and large clean bathroom with bath and shower.

The Lady:

Just like her photos if not better, no need for airbrushing, Jennifer looks sensational, immaculate makeup, hair and nails. Slim with massive implants, just what I like.

The Story:

Quick shower then she oiled us both up and straight into a prolonged session of dfk and bodyslides. Progressed naturally into a slippery 69 before more sensual slides, sex aided by use of three vibrators of differing sizes and power, finally finishing with a second pop in Jennifer's warm and willing mouth. Shared a shower together and I was out about 5 mins over time. A fabulous lady who exudes her sexuality.
