The Premises:

She lives Knightsbridge, few minutes walk from the tube and easy to find. Flat was clean and spacious.

The Lady:

She opened in a black dress and red high heels, so she seemed really tall and slim. She had a friendly smile on her face and was very nice and welcoming, so I knew straight away that we will have a good time. She speaks fluent English, so we easily talked and she is fun as well, with pretty much same sense of humour like me. She looks exactly like on the photos.

The Story:

We started off with some really fun chat and a drink, but as clock was ticking I soon approached her and started to take off that tight black dress, just to realise that she had nothing under. Big turn on for me. She didn't have to do much anymore to get me hard. Soon she was on her knees and giving me a deep and sloppy OWO. No complaints there, made me cum in no time. After quick recovery I went down on her to eat her pussy and gave her some deep rimming. We then had sex in several positions, she was very vocal and I enjoyed every moment of the show. Leticia was very energetic and fun to spend time with and I would definitely recommend.
