The Premises:

A modern flat in a quiet road about a mile from Blackheath railway station.

The Lady:

An attractive petite and busty Thai girl. She was very friendly throughout the session.

The Story:

An enjoyable massage/relief session. The massage was performed on a bed and there was a TV playing Thai music in the background. The massage was really good. Firm in places and the coconut oil embellished the service. At one point I could tell Lucie was rubbing her breasts on my back. As the 30 minute point got closer, Lucie began stroking my balls. I turned over and had a good suck and feel of her breasts. I'm pretty certain they are enhanced, but they didn't look too bad. She also has a really lovely firm bum. The hand job was slow and sensual and I was soon spurting.
