The Premises:

Mayra's place is in the Queensway area, close to several Underground stations. There is also street and off road parking nearby. Her bedroom is clean and tidy, with a large well made bed. The bathroom was a little untidy, with broken shower head. She provided me with a large clean towel.

The Lady:

Mayra is a cute young petite long haired brunette from Moldova. Lithe, with nice curves. Small firm boobs (32A I would guess), a nicely rounded bottom, shaved pussy. She looks much as she does in her photos.

The Story:

I had booked an afternoon appointment and arrived a few minutes early. She received me wearing a tight fitting blue jumper dress. We moved to the bedroom and agreed time/money. She offered me a drink, I asked if she had a beer, she said no, all she had was water; I never got the water!

I showered and got on the bed, Mayra joined me but then engaged me in prolonged chit-chat, which was obviously intended to waste time. After 15 minutes of this she must have realised she couldn't stall any more and removed her dress; she wasn't wearing anything underneath. After a little hand job she put a condom on me. I asked if she offered oral without but she said no. Blowjob with condom was OK. I then asked for 69 but she complained my stubble was hurting her; this was another excuse as I was clean shaven only a few hours earlier, so no pussy licking. We moved to sex in missionary position but she didn't want to put her legs up making penetration difficult. I made to kiss her but she didn't respond positively, so no kissing. She had a lie-back-and-think-of-England (Moldova?) sort of look on her face which didn't offer encouragement. We switched to doggy position which was nice but she didn't like her ass played with and seemed not to enjoy the deeper penetration this afforded, appearing quite tense throughout which, again, was off putting. I finished weakly, having by this time been rather discouraged.

Summary: Time wasting, no lingerie, no kissing, no oral without, no pussy licking, Mayra is obviously uncomfortable with penetration (!) and this discomfort is off putting. I think she's in the wrong business. Don't waste your time and money
