The Story:

Not been to Sheffield for ages but was there on business so decided to avail myself of GFE

Chose Electra as she was available and looked delightful

Dressed in pretty underwear and it showed off her assets

We had a brief kiss and then it turned into a full on snog sorted out the paperwork and then she returned and I was already stripped

Didn't need a shower

She took me in hand and we stroked each other and slipped the bra off and started to kiss her tits

Hand reached down to her warm pussy and we laid on the bed and slipped my fingers inside her panties but she soon removed them and I massaged her clitty till she had an orgasm

She does make some welcoming and approving noises

Then it was on with the rubber with her mouth and a bit of oral till I announced I was close to cumming and we rested a while with a cuddle and then she mounted me and rode me to a very happy orgasm

Had a cuddle afterwards which is always nice

Beautiful lady and I will return

Thanks darling you are amazing
