The Story:

Rather surprised to be the first to leave a review! Chantelle does indeed have as described a very bubbly personality,she's really easy to chat to and within a few minutes we were happily chatting away. I'm not one for graphic descriptions but suffice to say that her oral skills are incredible ! Would I recommend Chantelle ? In a Heartbeat ! Very much looking forward to seeing her again when the opportunity presents itself.

One thing though fellas,when you're leaving try and pick the right door or the girls will start laughing at you,especially the lady on reception,you know who you are !!!
