### The Premises:

I visited Portia out of Annabella's more 'Classic' accommodation.

\*Sigh\*

Its safe, convenient and discrete enough. But come on, it is 2018, you can do better.

### The Lady:

Cute is the best way to describe this young lady, who is probably in her early twenties. Portia retains a lot of her charm, even when working out of a dull basement room. Her character is of an adventurous light-hearted newly post-graduate mixed in with some generic "EE bluntness", which I feel adds to her unique edginess.

She is Russian and speaks English well, which over the course of a few visits I can tell she is improving on. Despite her occasional fractured responses, her stories are articulate which reflects her degree of education, and that adds an extra layer of sexiness to her.

Physically, I was not disappointed with what I was presented with. It is very hard to tell, but hidden behind that electronic blur on those photos is a adorable young European woman with a flawless body. No doubt she is Russian, with very cute lips and an amazing smile. Her body is fascinatingly perfectly proportioned, allowing her every curve and corner fall into the rules of natural beauty. She is incredibly easy on the eyes. Her fair complexion and unadulterated skin makes her the more desirable.

### The Story:

I have seen Portia over a few months now, I haven't gone through with reviewing her yet. Portia has given me a completely satisfying experience each time. Each hour she delivers with passion, kisses fully, and allows for intimacy which sets a new standard for contemporary GFE. And I don't use the word contemporary lightly here, as 10 years ago GFE could mean a peck on the lips during sex, how times have changed. Getting so intimate with a young woman like Portia is the reason I go punting, so if you are looking for a full GFE, Portia is clearly the safest bet.
