The Premises:

A terraced house in a private road. It was very squalid in there mostly because it is only a temporary place for Yasmin.

The Lady:

A very busty and bubbly Indian girl. She was larger than my preferred body type, but she was very friendly and good fun.

The Story:

I opted for a topless hand job just so I could have a good play with her very firm and ample breasts. The good thing was they were natural. It took me a while to come.

The neutral rating was mostly because of the squalid room.
