The Premises:

as reported before

The Lady:

both ladies are both extremely facially attractive with very happy and pleasant attitudes

isobel - basically a massive set of natural jugs bolted on to a beautiful chassis

maria - smaller breasts but complimented with superb bodywork

The Story:

i had never had a MMF before but what a way to start - a real sugar and spice duo

Maria - looking wonderful in a very skimpy blue bra and tiny g string - and stockings of course - a proper GFE star (sugar) - used to work at GFE Bury but now works at La Maison and alternate saturdays at Brooklyns in Crewe

Isobel - looking as good as i have ever seen her in a black one piece - with stockings of course - a proper dirty naughty girl (spice)

i found myself passing bury so on the spur of the moment popped into LM

things did not look promising - isobel was booked solid for an hour and maria was occupied - so i had a look at the other girls - grace looked fantastic and i was tempted - but then reception told me maria would only be about 15 mins if i wanted to wait - so i agreed

isobel came into reception and sat and had a good chat - the other guys waiting couldn't take their eyes off her

she said her booking hadn't turned up yet but she would have to wait for him

anyway into the room with maria a quick shower and we were set to go

she started snogging my face off straight away before asking if i wanted a massage - yes i replied so she started wanking my cock whilst still DFKing me

i broke away and said "i thought you were going to give me a massage"

"i am aren't i - its just i am only massaging your cock" maria giggled

suddenly the door opened and isobel stood there with a glint in her eye

"he hasn't shown up" - "do you want me to join you?"

before i could reply maria said "hell yes" looked at me and said "please can izzy join us it will be real fun"

i gave a thumbs up and isobel went to tell reception - she quickly returned shut the door stripped her outfit off in a flash and said "let's get this party started"

the 2 girls started kissing each other whilst playing and kissing each others breasts - maria was wanking me - izzy undid maria's bra and it fell onto my cock - so she wrapped it around and carried on - "just don't come on my bra - i need it for today" she laughed

next izzy stuffed her hand down maria's knickers and started to play with her pussy - much to maria's delight

we then adjusted positions

izzy was sucking my cock- i had fingers up her pussy and arse - maria was sucking my balls with her finger up my arse (a first for me) - then maria said" dont leave my pussy out - get your fingers up there"

it was brilliant

a change of position - isobel was on her back legs apart whilst maria gave her oral -i was looking on when isobel said "stick a couple of fingers up my arse " so i did - she was howling the place down then maria laid back and i rested my head on her stockinged thigh whilst isobel really went to town on her - izzy would come up for air and insisted she DFK'd me so i could taste maria's juices in between izzy would move up and like maria's breasts or snog her face off and i would go down on maria

then isobel ordered me to fuck her arse - so i did her in doggy whilst she was eating maria out - both girls were going crazy at this point - maria encouraging both of us " fuck her arse she is loving it"

maria even pushed isobels's head down right into her fanny and her legs were shaking with excitement

" you should see isobel's face" said maria - " she loves having her arse fucked"

after a while isobel took me up her arse again from on top so she could kiss and play with maria - at which point i realised that maria had stuck a big pink vibrator up her self - " doesn't look like i am going to get any cock off you today so i need this - you like isobel's arse too much" she smirked finished off with a double blowjob before shooting my load

a fantastic punt

as we were dressing maria mentioned that abby and chloe do a great 2 girl and i should try them next

i said that i thought they could match them going on todays performance and they should become a duo

isobel piped up " we would have to get stuck right into each other again like today - proper hardcore"

" i would love that" said maria

so guys in summary this was not a pseudo - G/G meeting just going through the pretence - this was full on action with 2 fully bisexual girls

if they didn't like cock so much they would deffo be fully paid up lesbians - and probably living together lol

both girls went at each others pussies hammer and tongues - lol and i learnt a lot about giving oral to a girl
