nice lady, wet or greasy hair, not sure

The Story:

Truly rushed service.

Paid for 30mins @£70.

Shown into an ok room, but the bed has wet patches that look like lube and/or previous punters deposits - very off putting !!

They must be in town to smash and grab as much cash as possible before moving on, as most people would not return with this lack of service.

Only Oral With condom (unlike the Advert).

10 minutes late with the appointment.

Her friend as below was shouting to her in Romanian to hurry up from outside and talking loudly on the phone.

Aysha kept pointing to her wrist indicating come on it's time after only 7 minutes.

In at 6:10pm, dressed and out by 6:23pm.

Total lack of customer care.

She says "No "English", when it was convenient to her.

Avoid!!!
