The Story:

After last weeks porn star-esque girl I decided to go again for the same type aka big tits, fake looking, blonde. I never thought I was properly into this type of chick before but clearly I am. Bia didn't let me down, she was hot and down for pretty much anything. I don't usually do 69ing as eating out isn't really for me, but Bia has such a nice shaved little pussy that I went for it and actually liked it. She was moaning and getting wet and then jumped on top of me for a good long sesh.

The only thing that makes me knock her down a couple of points is that she was late for our meeting and I aint talking 20 mins, she was a good 1 hour or so late. When your paying as much as this you expect them to show up on time! She also doesn't speak good English so you kind of have to move her around instead of using your words haha. But that's ok because she's hot enough and good enough at what she's doing to make up for all the communication issues.
