Upstairs room in shared accommodation. Apparently 2 other ladies but didn't see or meet them.

Very discreet

### The Lady:

Tiny pocket rocket. Much better than her photo's let on. Probably about 5 feet tall with a proportionate figure. Gorgeous bum and very soft skin. Looks stern in her main picture but nothing could be further from the truth. She is extremely polite and very obliging. Her face lights up when she smiles. No one could be more polite.

### The Story:

WOW! So much better than I had expected. I took a gamble and won. I texted Vanessa and she called me back. She texted me the location. I texted her on arrival and she phoned back to give me the house number. She opened the door in a nice little black number greeted me with a smile and a kiss, she then led me upstairs. We kissed passionately like long lost lovers immediately. That got me aroused. She apologised for the weather, she apologised if her hands were cold, in fact she apologised for anything and everything she could think of. It was really quite sweet. We both undressed and I was happy to see a curvy slim body. Tits, not big but nice, a fantastic shape ass, lovely to see and feel. We embraced again. We kissed, I hardened she could feel it and led me on to the bed. She then gave some fantastic OWO spending some time on my nuts too. We enjoyed each others bodies and I really couldn't wait to kiss, lick and suck her wonderful full labia. Oh I was in heaven. She tasted divine. Vanessa responded well, but unfortunately just as i thought she was going to come, she pulled away. She said it was good but I would have liked to experience the orgasm. We had sex in multiple positions and Vanessa was fully interactive whether on top or underneath. If she wasn't enjoying it then she's a great actor. I'm an old man now and coming during intercourse is very rare and takes quite a time, I had only booked half an hour and so I asked Vanessa to finish with her hand as it needs to be fast. She willingly obliged mixed in with a bit of OWO to a happy ending. There was no rush, no time watching and despite running over I was offered a shower but i declined as I sometimes like to relive about the appointment on the journey home and have the lady's aroma to assist.

A truly memorable experience that I have thought about constantly since. I'm going to have to go back soon as she's touring and going off to Slough next I think. Her kissing was full on and that really made for an excellent meeting. Thoroughly recommended.
