The Premises:

Very nice apartment, quiet and safe, well appointed and spotlessly clean. Parking nearby and no cameras or security. I felt very safe and comfortable there.

The Lady:

New to Crawley first time ever and met her on her first day. Nolla is a stunningly beautiful green eyed blonde with a perfect model body, a figure other girls would die for. She is great company intelligent and maybe just a little bit on the naughty side.

The Story:

I arrived on time as it is my first visit to Nolla and her pictures look fabulous but she is far better face to face or in the flesh. I entered her apartment and she was dressed in a stunning black outfit that showed her body off to just the right degree of temptation. Sorted the basics then on into her lovely boudoir, which was well furnished, warm and inviting. Obviously started with a little getting to know you small talk and a joke or two; Nolla is quick, smart and intelligent so easy to talk to but did not want to waste too much time before getting down to the action. Nolla is a very sexy girl who likes to have a good time and to make sure that you have an experience you will never forget.

She is only here for a very few days so do not waste time, I shall be back before she goes and I have added her right at the top of my Favourites list
thank you Nolla and see again very soon.
