### The Premises:

Discreet building in Fenny Stratford with ample free parking adjacent to it.

I was met by the very friendly Maid on this occasion, on others it has sometimes been the equally friendly manageress.

Was shown up to the top floor room passing the lovely Foxy on the way, as usual she took the time to say hello and other pleasantries.

The room itself is clean and comfortable and the Shower facilities are very good.

### The Lady:

Bonnie is a very attractive lady, about 5'3" tall, long dark hair with a nice figure, not good on dress sizes so won't offer a guess.

Her profile states she is 26, I see no reason to doubt that and I think her profile pictures, while accurate, do not do her full justice.

As stunning as Bonnie's appearance is, it's her personality that really attracts me, friendly, fun, quirky, intelligent and just a little bit insecure, a delicious mixture of contradictions that make spending time with her so enjoyable.

### The Story:

I have had several meetings of longish duration with Bonnie and this is probably because she makes me feel so comfortable.

This meeting was no different, she enters the room a little more serenely now than she used to, but this is probably because I nearly choked on a mint sweet the first time she burst into the room like Tigger on Crack.

We had a cuddle and chat, general catch up stuff, we had some Pizza that the Maid had brought up, drank coffee and carried on chatting and generally just went with the flow. I have no intention of

describing here anything that may have happened, besides it is not always why I am there, sometimes it is only the company I want.

Whether it is company you want, or the full on Escort experience, Bonnie will deliver, she can be considerate and understanding or raunchy and enthusiastic, I have seen both. Your money, your call.

I highly recommend Bonnie and I will continue to see her.
