The Lady:

MICHELLE is extremely beautiful and very talented personality..Very well spoken..She has a decent height with very decent pair of Brest size..Excellent figure..She is very hot and sexy..European beauty with tight vagina..This is her physical description..She is more than beautiful as a person..I was well impressed by her thinking style. She is intellectually very sound..

The Story:

My experience was wonderful and I enjoyed thoroughly..I arrived on time and I requested for a glass of water..She came inside the room with a glass of water..She greeted me with a sweet kiss..She provided an exceptional service throughout for 30 minutes..We had a bit of chat b4 We get naked..She gave me a very nice blowjob..We were kissing each other for 5 minutes and I enjoyed it very much..Then she was playing with my body with her body. It was a very sexy contact.. We were having fun for 15 minutes and I asked her for sex because I was fully turned on..I fucked her tight vagina from right in front of mirror..I fucked her from various positions and I was loving it..She was enjoying too and that's what I liked the most..She was responding well to me..Finally She came on top of me..I asked her to fuck me fast and in two minutes I started to cum..It was a very loud of cum and the whole condom was filled up..She provided me a great service and I would definitely recommend her..She has got the ability to please everyone..

I am looking forward to seeing her again very soon..I enjoyed having S** with her..
