The Premises:

A very basic one bedroom flat off Purley Way. Easy to find and accessed through a gate so no awkward standing around in the street. Parking is difficult although the premises is on bus routes and within walking distance of Wandle Park tram stop. Two girls were working here when I visited. The second bed, which is used if the main bedroom is occupied, is in the living area and curtained off like you see in a hospital ward. Good shower facilities were available.

The Lady:

Stella is Hungarian and in her early 20s. Her AW profile is accurate. She is cute and friendly and genuinely seems to enjoy her work. Unfortunately she speaks virtually no English. A menu of services is handed to punters on arrival so that they can point to how long they want to stay for.

The Story:

I phoned up for a short notice appointment having been attracted by Stella's AW profile. She texted me the location and let me in on arrival. As Stella was very attractive and friendly, I opted for an hour. Unfortunately the bedroom was being used by the other girl that Stella was working with so we ended up on the curtained off bed.

After completing the paperwork, we both undressed and showered together. There was lots of DFK and mutual masturbation. Once out of the shower, Stella gave me a good uncovered blow job with lots of eye contact after which is was rubber on and we had a good long shag in various positions. The experience was a bit off-putting when the other working girl saw one punter out and as another came in and they passed by the curtain. I finished by coming over Stella's breasts and we had another shower together.

Overall I enjoyed excellent GFE with Stella. It was certainly value for money at a time when other local establishments are charging £60 or £70 for half an hour. The only downside was the curtained off bed which could put some punters off.
