The Premises:

Not easy to get there using maps, so will need to use satnav or directions via Google. Discreet apartment and parking outside however it is a narrow street. Clean apartment, not as nice as her bonnyrigg apartment. Shower facilities available.

The Lady:

Absolutely gorgeous. Parents are from Hong Kong, so Chinese but born and bred in London. Very well spoken and decent chat. Very skinny but great arse and tits however shes got implants. Better in person than profile.

The Story:

Great meet. Made me feel relaxed. Offers massage and also full service. Please note, doesn't offer girlfriend experience, so don't expect that. She is very OCD, so cleanliness is her high priority. Gives a decent massage but it's on a bed. Also gives a body to body massage. One hour is better if you want a full service but 30 mins is fine for a massage and happy ending. Good blowjob skills, she likes to tease and likes to be in control when having sex, so prefers on top. Shes got decent chat too which helps. Will definitely see her another time but will be for longer than 30 mins. Preferred our one hour meeting.
