### The Story:

I hadn't seen a girl for a while as I've been away, so thought I would treat myself to a new lady. I met up with Lea last week having seen her profile and decided she was the girl for me. I have a thing for French girls and don't find too many of them here on these sorts of sites so was very excited when I came across Lea! She's a beautiful young lady, early twenties, slim, pretty face. Her accent is by far her sexiest feature for me though. She knows she's sexy too and really plays on that. I asked her to talk dirty to me in French and she happily obliged (don't ask me what was said though as I couldn't tell you!) Lea gave me a lovely sensual massage naked and then proceeded to blow my mind with an out of this world OWO. Her petite small frame makes for easy switching of positions and she was so good that she made me finish twice! I'll be seeing you again ma petite Cherie x
