The Story:

Ritta is the perfect companion, not only is she beautiful and sexy but she's got an amazing attitude and is one of the sweetest girls you'll meet. I booked her for an hour and was so happy in her company that I extended by another hour. The first hour was spent kissing with tongues, an amazing long OWO and some fantastic sex. During the second hour we were a little worn out so I was feeling generous and treated myself and Ritta to a fancy takeaway and a bottle of wine which she was very grateful of. She said most guys don't buy her meals and she'd remember this forever, how sweet of her. It's strange but I actually enjoyed the second hour more than the first as Ritta is so lovely and made me feel completely comfortable with her. Next time I'm going to go for a full GFE with her or even an overnight. Worth every penny.
