The Premises:

Flat near station. Reception area with TV, but not needed Patricia the receptionist is pleasant, engaging and generally fun to talk to. I was very attracted to her!

The Lady:

Early 30's, bubbly, curvy. Large breasts. Other reporters have used the term cuddly - I'd say it was accurate. I was really impressed by Debbie's enthusiasm and energy.

The Story:

The previous reporters were right!

I asked Debbie to take the initiative and to be as kinky and rude as possible (but no pain please). She rose to the challenge brilliantly. I was tied to the bed, sucked (with, but v. good), probed anally, ordered to perform, brought to the edge and then told to wait. The rest is a blur of good hard and rather kinky sex, involving a wide variety of toys.

I left with a large grin on my face (its still there). I still want Patricia (the receptionist). Unfortunately she says 'you cant have everything you want'...
