### The Premises:

Clean easy to find and enter busy apartment block

### The Lady:

Cathy looks like her photos but that came as no surprise as i viewed her selfies before our meeting  
Toned tall blonde a bit of a porn star looks in no way vulgar but sexy that would immediately make you hard  
She is not one of those girls you may easily find for a one night stand so its worth to punt your hard earned cash on her

### The Story:

well for a while now i had a fantasy of a role play sex with a complete stranger so after months of imagining i decided its the right time to make it reality (lets face it those things do not happen in real life, do they?)

I informed the receptionist of my plumber girl fantasy and she confirmed Cathy could do that for me

On arrival she greeted me with a smile and we completed business bit within seconds. She said let me show you the blocked sink, thats why you're here isnt it?

I knew she would play the ball well

she took me to her bathroom and while she bent down to explain what and where she revealed her pink shaven pussy tempting out from underneath her short mini skirt

The play was not long coz by then my dick was so hard she could clearly notice that and grabbed me through my jeans asking if instead of traditional payment maybe she could settle the bill by 'unblocking my pipe'

i was ready to come!

there was no time for romance, we stripped within seconds followed by OWO with lots of eye contact and soon after she rode me for ages like a starved out horny housewife! only managed to change position once to doggy as could not hold it in any longer, such a shame but i am surprised i lasted that long with a turn on like her!

truly once in a lifetime experience provided by this fantastic girl, thank you gorgeous Cathy i wish

you could do permanent maintenance of my pipe!
