The Premises:

Modern luxury flat in Hub district of Milton Keynes. Free secure underground supermarket car park, 1 minute away. 5 minutes from railway station and 10 minutes from M1 motorway. Smart area, safe. Entry system and lift to apartment.

On entry I was shown into large double room by Serena, she was stunning dressed exactly how I had asked for in leather boots, a tight g-string and matching leather top.

We shared a shower.

The facilities are first class. Clean bright flat, deluxe shower with towels & toiletries. The room is modern, intimate with candles and a king size bed with a good firm mattress.

The Lady:

Serena is stunning, has a perfect figure. 34" breasts with pert nipples. A bum to die for. Stands about 5 feet 8 inches naked. Stunning facial features with large eyes, come to bed lips and long dark hair.

Her photographs are accurate but 1 to 1 she is even more attractive.

She comes from Roumania originally but has been in England for several years, she has studied, her English is better than mine. Serena is funny, witty and intelligent.

Like so many women from Europe she could not find work after studying at home so came to England.

She has many friends here and would fit in at anywhere, but may be not at home with the wife.

I had seen her before, we soon got to know each other, she is very open and enjoys life and her job.

The Story:

She can be that GFE or a dirty cow. She will please your mood.

We started off with 69, she has a tight sweet pussy, love to give a slow blow job going right down sucking my balls while I explored her moist pussy. When I was ready she slowly lowered herself down on top, she then fucks like I have never experienced before.

I love flat doggy so I stopped her before coming & we fucked as I held her wrists, I could not last very long and exploded.

We had a chat and then into round 2. Her nibbles are very sensitive and soon she is groaning as we french kiss and finish in the missionary position.

Another chat and I needed a drink and shower.

I will be back next week, this time to see the dirty cow.

Enjoy Serena, she is special.
