The Premises:

Usual Annabellas flat. Clean and comfortable

The Lady:

Very pretty young lady. Nice natural boobs and a pert, spankable bum. Friendly and good attitude.

The only negative is that she was rather prickly, pretty much everywhere - even in places where most girls don't grow any hair.

The Story:

Dollar was eager to please and took direction well. Having her on top with those lovely boobies bouncing in my face was just what the doctor ordered.

Bottom line, this was a good GFE.
